

EVAS Worldwide News Letter

Fourth Quarter

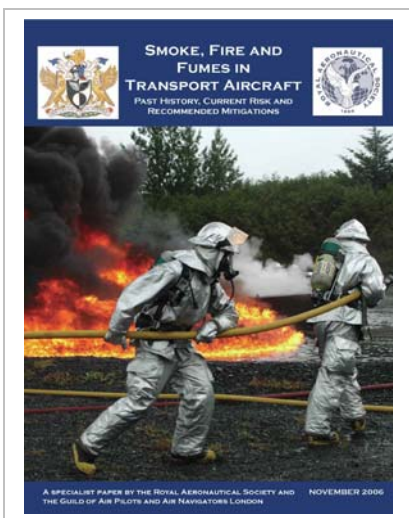

September 2008

Where we've been...

- **ALPA Airline Pilots Association**
Washington, DC August 11-14, 2008
- **NBAA Business Aviation Regional Forum**
Bedford, MA September 10th, 2008

Did you know?

- We recently received STC's for the following models:
EMB-190-1—STD
EMB-190-100 LR
EMB-190-100 IGW
Hawker 750
Hawker 850XP
Hawker 900XP
- You can download a copy of Capt. John Cox's "Smoke, Fire and Fumes in Transport Aircraft"
By going to:
www.evasworldwide.com/docs/SAFITA.pdf

- **EVAS™** is a cost effective asset which costs the same as a life raft or a set of tires.

Where we're going...

Stop by and visit us at:

- **NBAA – Orlando, FL October 6th through the 8th, 2008.** Look for the EVAS™ balloon.

Booth number 2863

- *Drop off your business card to enter one of our giveaway opportunities.*

We're not just blowing smoke, we save lives too!
