*See reverse side for training info and additional training centers*

## EVAS Training is available from several sources for your convenience:

1. **King Schools** and **VisionSafe** have partnered to provide worldwide access to an online CBT method for receiving our training and that fulfills all requirements. Each course enrollee will receive a *Training Completion Certificate* from **King Schools**.
2. **Flight Safety International** offers an **FSI** EVAS CBT, Classroom and Aircraft Type Specific Simulator Training. (Fulfills Requirements) Contact your **FSI** Training Coordinator for more information about EVAS Training options.
3. **CAE** offers a Classroom and Aircraft Type Specific Simulator Training. (Fulfills Requirements) Contact your CAE Training Coordinator for more information about EVAS Training options.

**VisionSafe** also offers custom **OnSight Training** at your location for Flight Crews or to “Train the Trainers”.

We recommend that you visit the training section on our website [www.visionsafe.com](http://www.visionsafe.com) .

Call us at 973-864-6206 or Email – [Training@visionsafe.com](mailto:Training@visionsafe.com) for more information.
