: 7 December 2020

DIRECTOR GENERAL OF CIVIL AVIATION

NOVIE RIYANTO R

Supplement Type Certificate (VALIDATION) Number: SA120

(Continuation Sheet)

Limitations and Conditions (Continued):

Flight Crew training requirements are listed on the Master Drawing List. The installation should not be incorporated in any aircraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft. The approval of this modification applies to the above airplane model series only. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

Basis of Certification:

Based on CASR 21.101 and 21.115, the certification basis for this STC refers to original DGCA Type Certificate plus the acceptance of certification basis of FAA STC No. ST00892LA.
